## VII. HEALTH SERVICES CONT'D

<u>PROGRAMS</u>	<u>POPULATION SERVED</u>
<u>COUNSELING AND ASSISTANCE CENTER (CAAC)</u> Phone: 471-8956 Bldg: #1, Naval Station	Active duty Navy, Marine Corps and Coast Guard personnel.

### PROGRAM DESCRIPTION/SERVICES PROVIDED

CAAC provides screening, assessment, treatment and/or referral services for individuals who are or who may be involved in drug or alcohol abuse. The program attempts to treat the individuals with minimum time away from their command.

SCREENING and ASSESSMENT is the primary service provided for service members to assess the seriousness of the suspected substance abuse. The member's command Drug and Alcohol Program Advisor (DAPA) should schedule the screening by appointment. After a final clinical review, the CAAC Director will forward a determination and recommendations to the service member's commanding officer.

ALCOHOL IMPACT is a 16-hr intensive education program for individuals who are in need of such education and, is accepted by the state of Hawaii for first time DUI offenders.

OUTPATIENT TREATMENT and INTENSIVE OUTPATIENT Treatment provides rehabilitation treatment to those members eligible for consideration under current Navy and DOD policies. CAAC's outpatient treatment programs are intended to treat abusive and addictive behavior from a stance that embraces the "disease concept". Specifically these programs are conducted to provide a therapeutic regimen, educate the service member, and to assist in the initiation of a program of recovery.

CONTINUING CARE is another CAAC service, providing support to individuals after they have completed other substances abuse treatment programs.

OUTREACH AND EDUCATION provides unlimited and continuous communication between the CAAC and local commands. This is accomplished in many ways and can include General Naval Training (GNT), DAPA meetings, Mobile Training Team (MTT), educational and training seminars, etc.

<u>PERSONNEL RESPONSIBILITY AND VALUES EDUCATION AND TRAINING (PREVENT)</u> Phone: 471-9732/9840 Bldg: #187, Naval Station	Active duty Navy, Marine Corps and Coast Guard personnel and their families On a space available basis: Civilian employees of the Department of the Navy, including employees of non- appropriated fund instrumen- talities and family members.

### PROGRAM DESCRIPTION/SERVICES PROVIDED

Abuse lifestyles are self-defeating for the individual and counterproductive to Navy readiness. The continued abuse of alcohol, drugs, or food is an inappropriate coping mechanism that can lead to life threatening disease. PREVENT is a 30 hour secondary education course designed to allow participants to recognize the potential hazards of lifestyle choices and to make commitments toward a quality of life plan. The course covers information about stress management, military core values, decision making, communications, HIV-AIDS, and sexual harassment/assault. Although PREVENT is not considered the Level I response to an alcohol related incident, service members with a drug or alcohol issue may still attend the PREVENT course. However, members must still attend Alcohol Impact, which is the Level I response to any alcohol related incident.

### PROGRAM DESCRIPTION/SERVICES PROVIDED

The Naval Legal Service Office Pacific Detachment offers a wide range of legal and claims assistance on Monday through Fridays from 0730 to 1630.

Specifically, legal assistance attorneys are available on a walk-in basis on Mondays and Wednesdays beginning at 0900 or by appointment. Legal assistance attorneys are available to answer questions involving landlord/tenant disputes, divorce and separation, wills, powers of attorney, notarization, adoption and family law, taxation, immigration and naturalization, and many other areas of law.

The Claims Division is available to answer questions regarding personal, vehicular, household goods and other claims and requests for compensation. Forms and information may be obtained by calling the above number.
